Meeting Minutes: April, 2023

- Called to order: 6:13pm at Reeds Community Ball Field
- Meeting minutes read from March Amber motioned to approve and Jarret second to accept.
- Treasure: Rec $17,859.99 with $105.51 in old account. Classic has $34,887.00 and $3,869.33 in the old account.
    - Both old accounts will be closed when everything outstanding is clearned. Rec does not have anything outstanding.
- Classic is holding tryouts at the end of the May at Lexington High School.
- Angel, Ashley, and Jonas had a sit down meeting about the future of Classic and DCYSA as a whole.
- U4 pay is currently paying referees $12.50 per match. Amber would like to change this to $13 or $15. This is something that will need to be discussed closer to the Fall.
- New website is being worked on with Vessel. There was a need to change the name of the website because the old address could not be obtained. The idea was floated to change the Association name from Davidson County Youth Soccer Association (DCYSA) to Davidson County Youth Soccer League (DCYSL) to match the tax ID.
- Age chart. Discussed using the NCYSA age charge for the school year because it is inclusive. Vote was held, Nick called vote for NCYSA approved age chart, Amber second, 5 votes yes liaisons and 1 yes executive board member, no opposed.
- Ashley needs all registration numbers from the Spring registration.
- New Business
    - Playmetric Demo.
        - Would like to wait to see how the new website goes before discussing this further.
    - U6 will have a seated tournament. In U6 there are no goalkeepers so if there is a tie there is a challenge with doing PKs. Discussed potentially still doing PKs without a goalie, just further out. Only 4 would be allowed to participate. DT and SWSM will ultimately make this decision.
    - Nick has created the brackets for the Spring Tournament.
