Meeting Minutes: March

- Called to order: 6:07pm at Reeds Community Ball Field
- Meeting minutes read from February Amber motioned to approve and Jarret second to accept.
- Treasure: there are now two accounts. The old account has $135.51 and the new is $1,7689.26 with $400 outstanding.
    - Everyone has ordered equipment but Reeds.
    - Any order put in after April 4th will not be accepted and will go back to DCYSA.
    - All balances are paid.
- Angel has the majority of the coach cards completed, but there are some that still need to be done. The ones that were done were handed to liaisons.
- Due to a red card at an indoor soccer game and inappropriate behavior including telling the referee to “go f*** yourself,” Kayden _____ is now permanently banned from participating in any program offered by Davidson County Youth Soccer.
- A vote was taken previously to allow school year versus birth year for the upcoming 2024-2025 season. Currently, August birth month would be the oldest.
- Amber would like to be able to take the referee certifying course. This would help her be more knowledgeable about referee requirements and rules of the game in order to better support the refs and making appropriate assignments. This would not be so she can assign herself games as the ref assignor. DCYSA voted to pay for this course for the first year, but any further courses will not be paid for by DCYSA. Any recertifications would be paid for by Amber.
- TJ will be working to get the Spring schedule put on Excel in order to be put out on Facebook and the website.
- Meeting adjourned 7:12
- In attendance: Angel Hedrick (President), Greg Hurt (Vice President), Dylan Spake (Secretary), Ashley Weitzel (Treasurer), Jarret Nifong (Midway), Amber Loughlin (Assist. Director), Nick Oliveri (Reeds), Zachary Gray (SWSM), Jordan Harris (Arcadia).
